

Cookie notice

Mea Creo (Pty) Ltd · last updated 07 October 2026

Draft: this version is awaiting final review.

■ Essential cookies (always on)

- `mc_session`: keeps you signed in to the workspace or client portal. Set only when you sign in; HTTP-only and secure; expires after 30 days of inactivity or when you sign out.
- `mc_consent`: remembers your cookie choice for 12 months.
- `mc_theme`: remembers whether you chose light or dark mode.

■ Analytics cookies (only if you agree)

If you choose "Accept analytics", we use Google Analytics 4 to understand which pages are useful and how visitors find us, and a first-party cookie (`mc_source`, 90 days) that remembers how you first arrived (for example a search engine or a campaign link), so we can tell which channels bring enquiries. Google Analytics sets its own cookies (`_ga`, `_ga_*`), and IP addresses are not stored by Google Analytics 4.

If you choose "Essential only", none of these are set. You can change your choice at any time with the "Cookie settings" link at the bottom of every page.

We do not use advertising or cross-site tracking cookies. See our POPIA statement for how we handle personal information.
